Ready to explore? You'll head off into the heart of the Cascade Mountain Range, the backbone of Oregon, on this guided 3-mile hike. Participants will hike up 1,600 feet to Tumalo Mountain's spectacular 7,800-foot summit. Situated right next to Mt. Bachelor, the summit of this volcano is a great spot for our guide to highlight the region's geology from what is perhaps the most impressive view of the central Oregon Cascades.

#### Big Eddy Thriller Rafting Adventure

Wednesday, June 24 | 1:30 - 4:30 pm \$85 per Rafter

Looking for some adventure? This Deschutes River rafting adventure begins at Aspen, an old logging camp that's now residence for cattails, blackbirds, and excited rafters. You'll venture down the Big Eddy Rapids, one of several thrilling whitewater rapids on the upper Deschutes River between Sunriver and Bend. This stretch of river, rated I-IV, will be recognizable to many rafters from its presence in countless Hollywood movies and syndicated television shows. What to bring? We recommend synthetic clothing that wicks moisture, no cotton. On warm days, bathing suits, T-shirts and shorts are fine, water shoes or athletic shoes. NO flip flops. In the event that we experience cooler temperatures, bring warmer outdoor clothing. Children must be at least six years old.

#### Brews and Cruise

Wednesday, June 24 | 2 - 4 pm \$65 per Taster

Enjoy the beauty of Central Oregon on this guided cruiser bike ride around Sunriver. You'll venture to some of Sunriver's most iconic sights and learn about the fascinating history of Sunriver. Afterwards you'll stop at The Backyard for a tasting of Central Oregon craft brews. Must be 21 or older.
