

OREGON BANKERS ASSOCIATION

The Voice of Oregon Banking • Since 1905

An aerial photograph of the University of Oregon campus. The central focus is the Old Union building, a large, white, classical-style structure with a prominent central dome and columns. To its left is a large, modern, multi-story building with a glass facade. The campus is surrounded by lush green lawns and numerous trees, including tall evergreens. In the background, a dense residential area with houses and streets is visible, followed by a range of mountains under a clear blue sky.
