# Your Single Source for Interiors With a Difference

Del Lago Academy in Escondido, CA, chose Workspace Interiors for durable, colorful furnishings that reconfigure for a variety of collaborative learning environments.

Workspace Interiors by Office Depot® is a full-service office furniture dealership that can meet all your needs. Whether you're looking for a partner to manage the entire process of your next project or one that can support your architecture and design firm, count on Workspace Interiors.

### **Everything You Need to Realize Your Ideas — All in One Place**

Our professional team and network of 200+ manufacturers enable us to provide service on all of the logistical aspects of furnishing your design — so you can stay focused on your business. You supply the vision. We'll make it reality.

### **We're Invested in the Outcome of Your Project, Big or Small**

Our nationwide reach provides better buying power, scalable services and flexible offerings. That means you'll find a wider range of improved options to fit within your budget.

- North American in scope with a single operating platform
- Nationwide reach for consistent support across the country
- Single point of contact for seamless service and one set of standards
- Scalable support and resources

## **Interiors With a Difference**

A workplace is more than just a space to work. It's a mindset that reflects the culture of your company. Collaborate with Workspace Interiors to redefine how you get the job done.

## Did You Know?

Workspace Interiors is a single-source dealer with one point of contact, so you get the individualized attention you deserve.

# Solutions at Your Service

Workspace Interiors by Office Depot® helped Centuri Construction Group in Phoenix, AZ, create a corporate headquarters that was open and inviting, yet still provided privacy for employees.

Workspace Interiors by Office Depot® can manage every aspect of your next project — right down to the last detail. Whether you want someone to take on the entire process or work in a supporting role, we have the resources you need. There's no need to source and manage multiple vendors.

### **Need Architecture and Design?**

Our Interform Commercial Interiors® division provides full architecture and design (A&D) services through our architects, interior designers, indoor environment consultants and workplace optimization team.

### **Already Have an A&D firm?**

We're a valuable asset for design firms. We'll work closely with your team to provide dependable project management and access to our national network of furniture manufacturers.

### **Want to Incorporate Technology Into Your Space?**

CompuCom® provides comprehensive planning, project management and installation services for a variety of technology-enabled office furniture.

### **Would You Like Furniture Services?**

Our JCS division offers a wide range of furniture services that can be tailored to your needs:

- Installation
- Warehousing
- Move management
- Furniture rental, refurbishing and liquidation

## **Did You Know?**

Workspace Interiors by Office Depot has thousands of pieces of workspace furniture in stock.

# Easy Ways to Get What You Need

Call 877.543.0944, email us at [info.info@workspaceinteriorsod.com](mailto:info.info@workspaceinteriorsod.com), or visit [workspaceinteriorsod.com](http://workspaceinteriorsod.com)

The team from Workspace Interiors by Office Depot® developed a set of furniture standards for Swedish Medical Group to support its expansion plans. This standard helped Swedish Medical Group realize cost and time savings on every single project.

Workspace Interiors by Office Depot® has a solution to source the furniture you need in the way that works best for you. No matter what option you select, we'll be there for you every step of the way.

**Custom Solutions:** Work with the Workspace Interiors team for full-service planning for custom-order furniture.

**Catalog:** Select what you need from the Office Depot catalog. Our wide selection of in-stock, ready-to-ship furniture means quick delivery of your order.

**Online:** Shop at [business.officedepot.com](https://business.officedepot.com) for convenient access to office furniture and accessories.

### Ensuring Your Complete Satisfaction

Our coast-to-coast distribution, installation network and enhanced delivery program allow us to provide you with consistent service anywhere in the country.

In addition, count on us for:

- Space planning and design
- Special order solution
- Quick ship solution
- Work-from-home program
- Standards program
- Ergonomic program
- Order placement and management
- Installation and delivery arrangements
- Asset management
- Decommissioning
- Procurement system integration

### No Detail Too Small, No Vision Too Big

After installation, we'll conduct a thorough review of every item on the project checklist. Then we'll follow up to make sure the workspace is performing to your expectations.
