FFIEC's ASC Extends Temporary Appraiser Credential Waiver Relief to North Dakota.

The Appraisal Subcommittee (ASC) of the Federal Financial Institutions Examination Council (FFIEC) issued an order to extend for an additional one-year period a temporary waiver relief of appraiser credentialing requirements for appraisals of federally

related transactions (FRTs) under \$1,000,000 for commercial real estate transactions throughout the State of **North Dakota** subject to specified terms and conditions as stated in the order. In August 2018, the Governor of North Dakota, North Dakota Department of Financial Institutions, and North Dakota Bankers Association (collectively, the requesters) submitted a temporary waiver request to ASC. The requesters sought a temporary waiver of not less than five years of appraiser credentialing requirements for appraisals for FRTs under \$500,000 for 1- to 4-family residential real estate transactions and under \$1,000,000 for agricultural and commercial real estate transactions throughout the State of North Dakota. In July 2019, ASC issued a temporary waiver. In July 2020, the requesters requested an extension of the commercial real estate transaction temporary waiver relief for an additional one-year period. ASC has determined that a scarcity of appraisers continues to exist in **North Dakota** and that the scarcity is leading to significant delays in appraisal services for FRTs under \$1,000,000 for commercial real estate transactions in North Dakota. ASC has extended the commercial real estate transaction temporary waiver relief for an additional one-year period, subject to specified terms and conditions stated in the order. The order is applicable **08/07/2020**. The order may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-13/pdf/2020-17660.pdf>. *Federal Register*, Vol. 85, No. 157, 08/13/2020, 49371-49372.

CFPB Issues Proposed Rule Regarding CARD Act Rules and the Consumer Credit Card Market.

CFPB issued a proposed rule regarding the Credit Card Accountability Responsibility and Disclosure Act (CARD Act). CFPB seeks comment on the economic impact of the CARD Act rules on small entities so that it can determine whether the rules should be continued without change, whether the rules should be amended or rescinded, consistent with the stated objectives of applicable statutes, to minimize any significant economic impact of the rules upon a substantial number of such small entities. CFPB is also conducting a review of the consumer credit card market, within the limits of its existing resources available for reporting purposes, pursuant to the CARD Act. Comments are due **10/27/2020**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-28/pdf/2020-19112.pdf>. *Federal Register*, Vol. 85, No. 168, 08/28/2020, 53299-53306.

CFPB Issues Proposed Rule to Create Seasoned QM.

CFPB issued a proposed rule to create a new category of qualified mortgages (QMs). With certain exceptions, Regulation Z requires creditors to make a reasonable, good faith determination of a consumer's ability to repay any residential mortgage loan. Loans that meet Regulation Z's requirements for QMs obtain certain protections from liability. Regulation Z contains several categories of QMs, including the General QM category and a temporary category (Temporary GSE QM loans) of loans that are eligible for purchase or guarantee by government-sponsored enterprises (GSEs) while they are operating under the

conservatorship or receivership of the Federal Housing Finance Agency (FHFA). The proposal would create a new category of QM (Seasoned QMs) for first-lien, fixed-rate covered transactions that have met certain performance requirements over a 36-month seasoning period, are held in portfolio until the end of the seasoning period, comply with general restrictions on product features and points and fees, and meet certain underwriting requirements. Comments are due **09/28/2020**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-28/pdf/2020-18490.pdf>. *Federal Register*, Vol. 85, No. 168, 08/28/2020, 53568-53604.

CFPB Seeks Comment on Making Ends Meet Survey.

CFPB seeks comment regarding a revised collection entitled, Making Ends Meet Survey. The survey solicits information on consumers' experiences related to household financial shocks, particularly shocks related to the economic effects of the COVID-19 pandemic, how households respond to those shocks, and the role of savings to help provide a financial buffer. CFPB mailed one round of the survey in May 2019 and a second round in May 2020. The revised survey will have two purposes, to: (1) follow-up to respondents from the May 2019 survey, and (2) sample new consumers from the Consumer Credit Panel to help balance attrition from the follow-up and provide additional information specifically related to savings behaviors. Comments are due **09/24/2020**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-25/pdf/2020-18644.pdf>. *Federal Register*, Vol. 85, No. 165, 08/25/2020, 52333.

FRB Seeks Comment on Revisions to Several Reports of Deposits.

FRB seeks comments on revisions to mandatory Reports of Deposits, in particular: Report of Transaction Accounts, Other Deposits, and Vault Cash, FR 2900; Annual Report of Deposits and Reservable Liabilities, FR 2910a; Report of Foreign (Non-U.S.) Currency Deposits, FR 2915; and Allocation of Low Reserve Tranche and Reservable Liabilities Exemption, FR 2930. FRB has proposed to take steps to reduce reporting burdens associated with reserve requirements by discontinuing the collection of the FR 2910a and FR 2930, ceasing the quarterly collection of the FR 2900, and refocusing items on the weekly collection of the FR 2900 and the FR 2915 to those that support the construction and analysis of the monetary aggregates. FDIC Incorporates Statement of Policy Regarding Requests for Participation in the Affairs of an Insured Depository

Institution by Convicted Individuals into Regulation.

The Federal Deposit Insurance Corporation (FDIC) issued a final rule to incorporate an existing Statement of Policy (SOP) regarding requests for participation in the affairs of an insured depository institution (IDIs) by convicted individuals. Section 19 of the Federal Deposit Insurance Act requires persons convicted of certain criminal offenses to obtain prior written consent before participating in the conduct of the affairs of any depository institution. FDIC has revised its existing regulations related to Section 19 to revise its procedures and standards related to applications for FDIC's written consent, and to incorporate and revise FDIC's existing SOP for Section 19. Incorporating the SOP into FDIC's regulations will make application of the SOP more transparent, increase certainty concerning FDIC's application process, afford regulatory relief, and help both IDIs and affected individuals to understand the impact of Section 19 and to potentially seek relief from it. The final rule is effective **09/21/2020**. The final rule may be viewed at:

OCC Issues Interim Final Rule Regarding Notice Requirements in Connection with Collective Investment Fund.

The Office of the Comptroller of the Currency (OCC) issued an interim final rule regarding notice requirements in connection with a collective investment fund (CIF), which is a bank-managed fiduciary fund that holds pooled assets. A national bank or federal savings association (collectively, a bank) that establishes and operates a CIF must do so in accordance with the criteria established under OCC fiduciary activities regulation at 12 CFR 9.18. OCC regulations permit a bank administering a CIF that is invested primarily in real estate or other assets that are not readily marketable to require a prior notice period, not to exceed one year, for withdrawals from the fund. OCC interprets the notice provision as requiring the bank to withdraw an account within the prior notice period or, if permissible under the CIF's written plan, within one year after prior notice was required (standard withdrawal period). OCC issued the interim final rule to codify the standard withdrawal period and create a limited exception that allows a bank, with OCC approval, to withdraw an account from the CIF up to one year beyond the standard withdrawal period, with opportunities for further extensions, provided that certain conditions are satisfied. The exception is intended to enable a bank to preserve the value of the CIF's assets for the benefit of fund participants during unanticipated and severe market conditions, such as those resulting from the current national health emergency concerning the coronavirus disease (COVID-19) outbreak. The interim final rule is effective **08/13/2020**. Comments are due **09/14/2020**. HUD set the fee for Section 108 loan disbursements under loan guarantee commitments awarded for FY 2021 at 2.15 percent of the principal amount of the loan. HUD has not changed the underlying assumptions nor created new considerations for borrowers. The calculation of the FY 2021 fee uses a similar calculation model as the FY 2016 through and FY 2020 fee notifications, but has incorporated updated information regarding the composition of the Section 108 portfolio and the timing of the estimated future cash flows for defaults and recoveries. The calculation of the fee is also affected by the discount rates required to be used by HUD when calculating the present value of the future cash flows as part of the federal budget process. The fee is applicable **10/01/2020**. SEC Issues Final Rule to Amend Financial Disclosures About Acquired and Disposed Businesses.

The Securities and Exchange Commission (SEC) issued a final rule to adopt amendments to rules and forms to improve their application, assist registrants in making more meaningful determinations of whether a subsidiary or an acquired or disposed business is significant, and to improve the disclosure requirements for financial statements relating to acquisitions and dispositions of businesses, including real estate operations and investment companies. The changes are intended to improve for investors the financial information about acquired or disposed businesses, facilitate more timely access to capital, and reduce the complexity and costs to prepare the disclosure. The final rule is effective **01/01/2021**. See section II.F. of the final rule for information on transitioning to the final rule. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-31/pdf/2020-11479.pdf>. *Federal Register*, Vol. 85, No. 169, 08/31/2020, 54002-54074.

SEC Issues Final Rule and Guidance Regarding Proxy Solicitations.

- SEC issued a final rule to adopt amendments to its rules governing proxy solicitations so that investors who use proxy voting advice receive more transparent, accurate, and complete information on which to make their voting decisions, without imposing undue costs or delays that could adversely affect the timely provision of proxy voting advice. The amendments add conditions to the availability of certain existing exemptions from the information and filing requirements of the federal proxy rules that are commonly used by proxy voting advice businesses. These conditions require compliance with disclosure and procedural requirements, including conflicts of interest disclosures by proxy voting advice businesses and two principles-based requirements. In addition, the amendments codify SEC's interpretation that proxy voting advice generally constitutes a solicitation within the meaning of the Securities Exchange Act. Finally, the amendments clarify when the failure to disclose certain information in proxy voting advice may be considered misleading within the meaning of the antifraud

provision of the proxy rules, depending upon the particular facts and circumstances. The final rule is effective **11/02/2020**. Please see Section II.E of the final rule for compliance dates. The final rule may be viewed at:

- SEC issued supplementary guidance regarding the proxy voting responsibilities of investment advisers under its regulations issued under the Investment Advisers Act in light of SEC's amendments to the rules governing proxy solicitations under the Securities Exchange Act as is highlighted in the above paragraph. The guidance is effective **09/03/2020**. The guidance may be viewed at:

The amendments in the rule are effective **08/31/2020**, through **09/01/2021**. The expiration date for the temporary final rule published in the *Federal Register* on **05/07/2020**, is extended from **03/01/2021**, to **09/01/2021**. The temporary rule applies to securities offerings initiated under Regulation Crowdfunding between **05/04/2020**, and **02/28/2021**. NCUA Issues Proposed Rule on Transition to CECL.

The National Credit Union Administration (NCUA) seeks comment on a proposed rule to address changes to the U.S. generally accepted accounting principles (GAAP). Specifically, the proposed rule would provide that, for purposes of determining a federally insured credit union's (FICU's) net worth classification under the prompt corrective action (PCA) regulations, NCUA will phase-in the day-one adverse effects on regulatory capital that may result from the adoption of the current expected credit losses (CECL) accounting methodology. Consistent with regulations issued by the other federal banking agencies, the proposed rule would temporarily mitigate the adverse PCA consequences of the day-one capital adjustments, while requiring that FICUs account for CECL for other purposes, such as Call Reports. The proposed rule would also provide that FICUs with less than \$10 million in assets are no longer required to determine their charges for loan losses in accordance with GAAP. NCUA's regulations would provide that these FICUs may instead use any reasonable reserve methodology (incurred loss), provided that it adequately covers known and probable loan losses. Comments are due **10/19/2020**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-19/pdf/2020-16987.pdf>, *Federal Register*, Vol. 85, No. 161, 08/19/2020, 50963-50970.

NCUA Issues Proposed Rule on Fees Paid by Federal Credit Unions.

NCUA issued a proposed rule to amend its regulation governing assessment of an annual operating fee to federal credit unions (FCUs). First, for purposes of calculating the annual operating fee, the proposed rule would amend the current rule to exclude from total assets any loan an FCU reports under the Small Business Administration's Paycheck Protection Program or similar future programs approved for

exclusion by NCUA. Second, the proposed rule would delete from the current regulation references to the Credit Union System Investment Program and the Credit Union Homeowners Affordability Relief Program, both of which no longer exist. Third, the proposed rule would amend the period used for the calculation of an FCU's total assets. Currently, total assets are calculated using an FCU's December 31 Call Report of the preceding year. Under the proposed rule, total assets would be calculated as the average total assets reported on an FCU's previous four Call Reports available at the time NCUA approves its budget for the upcoming year, adjusted for any excludable programs as determined by NCUA. Finally, the proposed rule also would make some minor technical changes. As is highlighted in the following paragraph, NCUA has separately published a document and requests comment about the methodologies it uses to compute the Overhead Transfer Rate and to set the annual operating fee schedule for fees charged to FCUs. Comments are due **10/30/2020**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-31/pdf/2020-16981.pdf>. *Federal Register*, Vol. 85, No. 169, 08/31/2020, 53708-53713.

NCUA Seeks Comment on Methodology Used to Determine Overhand Transfer Rate.

NCUA seeks comment on the methodology used to determine the Overhead Transfer Rate (OTR). NCUA applies the OTR to its operating budget to determine the portion of the budget that will be funded from the National Credit Union Share Insurance Fund. NCUA also seeks comment on proposed changes to the methodology NCUA uses to determine how it apportions operating fees charged to federal credit unions. NCUA uses operating fees to fund part of its annual budget. Comments are due **10/30/2020**. VA Seeks Comment on Computer Matching Agreements.

- The Department of Veterans Affairs (VA) announced the renewal of a computer matching agreement with the Social Security Administration. The disclosure of data provides VA with data to update the master records of VA applicants and beneficiaries, including veterans and survivors, and their eligible dependent(s) who are receiving income-dependent benefits.

The disclosure also provides VA with data to determine the continued eligibility of those receiving income-dependent benefits and those beneficiaries who are receiving disability compensation at the 100 percent rate because of unemployability and to allow VA to adjust or discontinue benefits accordingly. Comments are due **09/16/2020**. The new matching program is effective **09/16/2020**, unless comment is received. The matching program will begin **09/15/2020**, and end on **03/14/2022**, with an option to renew an additional twelve months to **03/14/2023**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-17/pdf/2020-17945.pdf>. *Federal Register*, Vol. 85, No. 159, 08/17/2020, 50069-50070.

- VA announced it intends to conduct a computer matching program with the Internal Revenue Service. Data from the proposed match will be used to verify the unearned income of nonservice-connected veterans, and the veterans who are zero percent service-connected (non-compensable), whose eligibility for VA medical care is based on their inability to defray the cost of medical care. These veterans supply household income information that includes their spouses and dependents at the time of application for VA health care benefits. Comments are due no later than 30 days after publication of the notice. If no comment is received or unless otherwise published in the *Federal Register* by VA, the computer matching agreement will become effective **12/31/2020**, and expires 18 months after its effective date. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-24/pdf/2020-18521.pdf>. *Federal Register*, Vol. 85, No. 164, 08/24/2020, 52194-52196.
- VA has an 18-month computer matching agreement with the Federal Bureau of Prisons (BOP) regarding veterans and caregivers who are in federal prison and are also in receipt of compensation and pension benefits. VA seeks to re-establish the agreement between VA and the United States Department of Justice, BOP. The BOP will disclose information about individuals who are in federal prison. The VA will use the information as a match for recipients of compensation and pension benefits for adjustments of awards. Comments are due no later than 30 days after publication of the notice. If no comment is received or unless otherwise published in the *Federal Register* by VA, the matching program will begin **09/19/2020**, and

end **03/18/2022**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-24/pdf/2020-18523.pdf>. *Federal Register*, Vol. 85, No. 164, 08/24/2020, 52195-52196.

VA Seeks Comment on Reinstatement of Record for Loan Guaranty Program.

VA seeks comment on a reinstatement of a record regarding its Loan Guaranty Program: Maintenance of Records Under 38 CFR 36.4333. The VA Loan Guaranty Program guarantees loans made by private lenders to veterans for the purchase, construction, and refinancing of homes owned and occupied by veterans. Under 38 CFR 36.4333, VA requires holders to maintain and lenders to retain all records pertaining to loans guaranteed by VA. Under the same authority, VA has a right to inspect, examine, or audit, at a reasonable time and place, such records to ensure program participants are in compliance with applicable laws, regulations, policies, procedures and contract provisions. VA utilizes the data collected through loan audits to require corrective actions by lenders and holders who failed to adhere to VA regulations and statutes; it also uses the data collected through the authority to provide annual feedback to lenders, through the Lender Scorecard, on certain loan characteristics such as interest rate, fees and charges, audit results, etc., as compared to the national average of all VA lenders. Comments are due **10/19/2020**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-20/pdf/2020-18292.pdf>. *Federal Register*, Vol. 85, No. 162, 08/20/2020, 51554.

SSA Issues Interim Final Rule to Waive Recovery of Certain Overpayment Debts Accrued During COVID-19 Pandemic Period.

The Social Security Administration (SSA) issued an interim final rule to revise regulations on how SSA waives the recovery of certain overpayment debts. SSA will apply the interim final rule when an affected beneficiary requests waiver of certain overpayment debts that accrued during a portion of the COVID-19 pandemic period. Under the interim final rule, SSA may waive recovery of overpayment debts using a streamlined internal process. Since the overpayment debts at issue occurred because of the circumstances surrounding the COVID-19 national public health emergency, SSA stated it can assume that the debts are not the fault of the affected beneficiaries due directly to SSA's strategic decision to reprioritize workloads to stop manually processing

certain actions, and it would be against equity and good conscience to collect them. In particular, qualifying overpayment debts include those incurred between **03/01/2020**, through **09/30/2020**, that SSA did not manually process as a result of SSA's cession of certain activities, and that SSA identifies by **12/31/2020**. The interim final rule is effective **08/27/2020**. Comments are due **10/26/2020**. The interim final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-08-27/pdf/2020-18834.pdf>. *Federal Register*, Vol. 85, No. 167, 08/27/2020, 52909-52915.

DOL Issues 2021 Minimum Wage for Contractors.

Beginning on that date, the Executive Order minimum wage rate that generally must be paid to workers performing work on or in connection with covered contracts will increase to \$10.95 per hour, while the required minimum cash wage that generally must be paid to tipped employees performing work on or in connection with covered contracts will increase to \$7.65 per hour. The new rates are effective **01/01/2021**. DOL Issues Proposed Rule to Amend Investment Duties Regulation.

DOL issued a proposed rule to amend the "Investment Duties" regulation issued in 1979 to address the application of the prudence and exclusive purpose duties under the Employee Retirement Income Security Act (ERISA) to the: exercise of shareholder rights, including proxy voting; use of written proxy voting policies and guidelines; and selection and monitoring of proxy advisory firms. The proposed rule also states that Interpretive Bulletin 2016-01 no longer represents the view of DOL regarding the proper interpretation of ERISA with respect to the exercise of shareholder rights by fiduciaries of ERISA-covered plans, and notes that the bulletin will be removed from the Code of Federal Regulations when a final rule is adopted. Comments are due **10/05/2020**. The proposed rule may be viewed at:
