

## **Agencies Retain Current HPML Exemption Threshold Level for 2021.**

The Bureau of Consumer Financial Protection (CFPB), Board of Governors of the Federal Reserve System (FRB), Office of the Comptroller of the Currency (OCC) issued a final rule to amend the official interpretations for the regulations that implement section 129H of the Truth in Lending Act (TILA). Section 129H of TILA establishes special appraisal requirements for “higher-risk mortgages,” termed “higher-priced mortgage loans” or “HPMLs” in the agencies’ regulations. CFPB, FRB, OCC, Federal Deposit Insurance Corporation (FDIC), National Credit Union Administration (NCUA), and Federal Housing Finance Agency (FHFA) (collectively, the agencies) jointly issued final rules to implement the requirements related to HPMLs, effective **01/18/2014**. The agencies’ rules exempted, among other loan types, transactions of \$25,000 or less, and required that the loan amount be adjusted annually based on any annual percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). If there is no annual percentage increase in the CPI-W, the agencies will not adjust the exemption threshold from the prior year. However, in years following a year in which the exemption threshold was not adjusted, the threshold is calculated by applying the annual percentage increase in the CPI-W to the dollar amount that would have resulted, after rounding, if the decreases and any subsequent increases in the CPI-W had been taken into account. Based on the annual percentage increase in the CPI-W as of **06/01/2020**, the exemption threshold will remain at \$27,200, effective **01/01/2021**. The final rule is effective **01/01/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-25872.pdf>. *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79385-79389.

## **Agencies Retain Current Regulation M Exemption Threshold for Consumer Leases.**

The Bureau of Consumer Financial Protection (CFPB) and Board of Governors of the Federal Reserve System (FRB) (collectively, the agencies) issued a final rule to amend the official interpretations and commentary for the agencies’ regulations that implement the Consumer Leasing Act (CLA). The Dodd-Frank Act amended CLA to

require that the dollar threshold for exempt consumer leases be adjusted annually by the annual percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). If there is no annual percentage increase in the CPI-W, the agencies will not adjust the exemption threshold from the prior year. However, in years following a year in which the exemption threshold was not adjusted, the threshold is calculated by applying the annual percentage change in the CPI-W to the dollar amount that would have resulted, after rounding, if the decreases and any subsequent increases in the CPI-W had been taken into account. Based on the annual percentage increase in the CPI-W as of **06/01/2020**, the exemption threshold will remain at \$58,300 effective **01/01/2021**. The final rule is effective **01/01/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-25871.pdf>. *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79390-79394.

## **Agencies Retain Current Regulation Z Exemption Threshold for Consumer Credit Transactions.**

The Bureau of Consumer Financial Protection (CFPB) and Board of Governors of the Federal Reserve System (FRB) (collectively, the agencies) issued a final rule to amend the official interpretations and commentary for the agencies’ regulations that implement the Truth in Lending Act (TILA). The Dodd-Frank Act amended TILA by requiring that the dollar threshold for exempt consumer credit transactions be adjusted annually by the annual percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). If there is no annual percentage increase in the CPI-W, the agencies will not adjust the exemption threshold from the prior year. However, in years following a year in which the exemption threshold was not adjusted, the threshold is calculated by applying the annual percentage change in the CPI-W to the dollar amount that would have resulted, after rounding, if the decreases and any subsequent increases in the CPI-W had been taken into account. Based on the annual percentage increase in the CPI-W as of **06/01/2020**, the exemption threshold will remain at \$58,300 effective **01/01/2021**. The final rule is effective **01/01/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-25870.pdf>. *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79394-79399.

## **Agencies Issue Interim Final Rule Regarding Temporary Asset Threshold.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and the Comptroller of the Currency (OCC) (collectively, the agencies) issued an interim final rule to permit national banks, savings associations, state banks, bank holding companies, savings and loan holding companies, and U.S. branches and agencies of foreign banking organizations with under \$10 billion in total assets as of **12/31/2019**, (community banking organizations) to use asset data as of **12/31/2019**, in order to determine the applicability of various regulatory asset thresholds during calendar years 2020 and 2021. For the same reasons, FRB has temporarily revised the instructions to a number of its regulatory reports to provide that community banking organizations may use asset data as of **12/31/2019**, in order to determine reporting requirements for reports due in calendar years 2020 or 2021. The interim final rule is effective **12/02/2020**. Comments are due **02/01/2021**. The interim final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-02/pdf/2020-26138.pdf>. *Federal Register*, Vol. 85, No. 232, 12/02/2020, 77345-77364.

## **Agencies Seek Comment on Revisions to Call Reports Due to COVID-19 Related Asset Growth.**

The Board of Governors of the Federal Reserve System (FRB), Federal Deposit Insurance Corporation (FDIC), and Office of the Comptroller of the Currency (OCC) (collectively, the agencies) seek comment on revisions to the Consolidated Reports of Condition and Income (Call Reports) (FFIEC 031, FFIEC 041, and FFIEC 051). The agencies seek comment on an adjustment to the measurement date for certain total asset thresholds that trigger additional reporting requirements in the Call Reports for report dates in 2021 due to institution asset growth in 2020 related to participation in various COVID-19 related stimulus activities. Comments are due **01/29/2021**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-30/pdf/2020-26388.pdf>. *Federal Register*, Vol. 85, No. 230, 11/30/2020, 76658-76662.

## **CFPB Issues Final Rule Relating to Disclosure of Records and Information.**

The Bureau of Consumer Financial Protection (CFPB) issued a final rule to amend rules regarding the confidential treatment of information obtained from persons in connection with the exercise of its authorities under federal consumer financial law. The final rule revises subparts A and D of section 1070 of title 12 of the Code of Federal Regulations. The revisions to subpart A address definitions of terms that are used throughout the remainder of the part. CFPB has revised several of the definitions to clarify CFPB's intended meanings and practices. CFPB has also included one new definition and deleted one definition in the final rule. The revisions to subpart D pertain to the protection and disclosure of confidential information that CFPB generates and receives during the course of its work. The final rule is effective **12/24/2020**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-24/pdf/2020-24113.pdf>. *Federal Register*, Vol. 85, No. 227, 11/24/2020, 75194-75220.

## **CFPB Issues Final Debt Collection Practices Rule.**

CFPB issued a final rule to revise Regulation F, which implements the Fair Debt Collection Practices Act (FDCPA) and currently contains the procedures for state application for exemption from the provisions of FDCPA. CFPB has finalized federal rules governing the activities of debt collectors, as that term is defined in FDCPA. CFPB's final rule addresses, among other things, communications in connection with debt collection and prohibitions on harassment or abuse, false or misleading representations, and unfair practices in debt collection. The final rule is effective **11/30/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-30/pdf/2020-24463.pdf>. *Federal Register*, Vol. 85, No. 230, 11/30/2020, 76734-76907.

## **CFPB Issues Final Rule to Revise Regulation Z General QM Rules.**

CFPB issued a final rule to revise rules regarding qualified mortgages (QM). With certain exceptions, Regulation Z requires creditors to make a reasonable, good faith determination of a consumer's ability to repay any residential mortgage loan. Loans that meet Regulation Z's requirements for QMs obtain certain protections from liability. One category of QMs is the General QM category. For General QMs, the ratio of the consumer's total monthly debt to total monthly income (DTI) must not exceed 43 percent. The final rule amends the General QM loan definition in

Regulation. Among other things, the final rule removes the General QM loan definition's 43 percent DTI limit and replaces it with price-based thresholds. Another category of QMs consists of loans that are eligible for purchase or guarantee by either the Federal National Mortgage Association (Fannie Mae) or the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, GSEs), while operating under the conservatorship or receivership of the Federal Housing Finance Agency (FHFA). The GSEs are currently under federal conservatorship. In 2013, CFPB established this category of QMs (Temporary GSE QMs) as a temporary measure that would expire no later than **01/10/2021**, or when the GSEs cease to operate under conservatorship. In a final rule released on **10/20/2020**, CFPB extended the Temporary GSE QM loan definition to expire on the mandatory compliance date of final amendments to the General QM loan definition in Regulation Z (or when the GSEs cease to operate under the conservatorship of the FHFA, if that happens earlier). In the final rule, CFPB adopts the amendments to the General QM loan definition that are referenced in that separate final rule. The final rule is effective 60 days after date of publication in the *Federal Register*. The mandatory compliance date is **07/01/2021**. The final rule may be viewed at:

<https://www.consumerfinance.gov/rules-policy/final-rules/qualified-mortgage-definition-under-truth-lending-act-regulation-z-general-qm-loan-definition/>.

### **CFPB Finalizes Seasoned QM Loan Definition.**

CFPB issued a final rule to create the Seasoned Qualified Mortgages (Seasoned QMs) category under Regulation Z. With certain exceptions, Regulation Z requires creditors to make a reasonable, good faith determination of a consumer's ability to repay any residential mortgage loan. Loans that meet Regulation Z's requirements for QMs obtain certain protections from liability. Regulation Z contains several categories of QMs, including the General QM category. The new Seasoned QM category is for first-lien, fixed-rate covered transactions that have met certain performance requirements, are held in portfolio by the originating creditor or first purchaser for a 36-month period, comply with general restrictions on product features and points and fees, and meet certain underwriting requirements. CFPB's primary objective with the final rule is to ensure access to responsible, affordable mortgage credit by adding a Seasoned QM definition to the existing QM definitions. The final rule is effective sixty days after publication in the *Federal Register*. The final rule

### **CFPB Issues Final Advisory Opinions Policy.**

CFPB finalized its Advisory Opinions Policy, which sets forth procedures to facilitate the submission by interested parties of requests that CFPB issue advisory opinions, in the form of interpretive rules, to resolve regulatory uncertainty. The policy addresses the manner in which CFPB will evaluate and respond to such requests. The policy is applicable beginning **11/30/2020**. The policy may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-12-03/pdf/2020-26661.pdf>, *Federal Register*, Vol. 85, No. 233, 12/03/2020, 77987-77991.

### **CFPB Publishes Advisory Opinions.**

- CFPB issued an advisory opinion to resolve regulatory uncertainty regarding the applicability of the definition of credit under Regulation Z, which implements the Truth in Lending Act (TILA), to certain earned wage access (EWA) programs that conform to the summary of material facts provided in part I.B of the advisory opinion. The advisory opinion is effective **12/10/2020**. The advisory opinion may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-26664.pdf>, *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79404-79408.
- CFPB issued an advisory opinion to clarify that loan products that refinance or consolidate a consumer's pre-existing federal, or federal and private, education loans meet the definition of "private education loan" in the Truth in Lending Act and Regulation Z and are subject to the disclosure and consumer protection requirements in subpart F of Regulation Z. The advisory opinion is effective **12/10/2020**. The advisory opinion may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-26662.pdf>, *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79400-79404.

### **FRB Finalizes New System of Records Regarding Security Sharing Platform.**

The Board of Governors of the Federal Reserve System (FRB) issued a final rule to revise its regulation which implements the Privacy Act rule to add BGFRS-43, FRB-Security Sharing Platform, to the list of systems of records identified as “exempt” systems of records. The final rule is effective **11/19/2020**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-19/pdf/2020-24088.pdf>. *Federal Register*, Vol. 85, No. 224, 11/19/2020, 73603-73604.

### **FRB Amends Regulation TT Assessment Rule.**

FRB issued a final rule to amend its Regulation TT assessment rule, pursuant to Section 318 of the Dodd-Frank Act, to address amendments made by section 401 of the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA). Regulation TT details how FRB: (a) determines whether a company is an assessed company for each assessment period, (b) estimates the total expenses that are necessary or appropriate to carry out the supervisory and regulatory responsibilities to be covered by the assessment, (c) determines the assessment amount for each assessed company, and (d) bills for and collects the assessment from the assessed companies. The final rule raises the minimum threshold for being considered an assessed company from \$50 billion to \$100 billion in total consolidated assets for bank holding companies and savings and loan holding companies and adjusts the amount charged to assessed companies with total consolidated assets between \$100 billion and \$250 billion to reflect changes in supervisory and regulatory responsibilities resulting from EGRRCPA. The final rule is effective **01/07/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-08/pdf/2020-25623.pdf>. *Federal Register*, Vol. 85, No. 236, 12/08/2020, 78949-78954.

### **FRB Issues Regulation I 2021 Inflation Adjustment.**

FRB issued a final rule that applies an inflation adjustment to the threshold for total consolidated assets in Regulation I. Federal Reserve Bank (Reserve Bank) stockholders that have total consolidated assets above the threshold receive a different dividend rate on their Reserve Bank stock than stockholders with total consolidated assets at or below the threshold. The Federal Reserve Act requires that FRB annually adjust the total consolidated asset threshold to reflect the change in the Gross Domestic Product Price Index, published

by the Bureau of Economic Analysis. Based on the change in the Gross Domestic Product Price Index as of **09/30/2020**, the total consolidated asset threshold will be \$10,785,000,000 through **12/31/2021**. The final rule is effective **01/11/2021**. The final rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-26199.pdf>. *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79389-79390.

### **FRB Releases 2021 Private Sector Adjustment Factor and Fee Schedules for Services and Electronic Access.**

FRB approved the private sector adjustment factor for 2021 of \$16.4 million and released 2021 fee schedules for FRB priced services and electronic access. Each year, as required by the Monetary Control Act, the Reserve Banks set fees for priced services provided to depository institutions. The fees are set to recover, over the long run, all direct and indirect costs and imputed costs, including financing costs, taxes, and certain other expenses, as well as the return on equity (profit) that will have been earned if a private business firm provided the services. The imputed costs and imputed profit are collectively referred to as the private-sector adjustment factor (PSAF). Due to the impact of COVID-19, FRB has retained existing price levels for the 2021 fee schedules. The 2021 fee schedules are effective **01/04/2021**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-16/pdf/2020-25176.pdf>. *Federal Register*, Vol. 85, No. 221, 11/16/2020, 73037-73054.

### **FDIC Amends Branch Application Procedures.**

The Federal Deposit Insurance Corporation (FDIC) issued a final rule to amend its application requirements for the establishment and relocation of branches and offices so that such applications no longer require statements regarding the compliance of such proposals with the National Historic Preservation Act (NHPA) and the National Environmental Policy Act (NEPA). The final rule amends FDIC’s regulations to remove NHPA and NEPA requirements embedded in its branch application procedures, and rescinds FDIC statements of policy regarding NHPA and NEPA, consistent with branch application procedures for national banks and insured state member banks supervised by the Office of the Comptroller of the Currency and Board of Governors of the Federal Reserve System. The final rule is effective **12/14/2020**. The final rule may

be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-11-13/pdf/2020-23529.pdf>. *Federal Register*, Vol. 85, No. 220, 11/13/2020, 72551-72555.

## **FDIC Issues 2021 Designated Reserve Ratio.**

Pursuant to the Federal Deposit Insurance Act, FDIC has designated that the Designated Reserve Ratio for the Deposit Insurance Fund shall remain at **2 percent** for 2021. FDIC published the notice as required by the Federal Deposit Insurance Act. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-23/pdf/2020-25820.pdf>. *Federal Register*, Vol. 85, No. 226, 11/23/2020, 74719.

## **FDIC Announces Intent to Terminate Receiverships.**

FDIC has given notice that it intends, as Receiver for the institutions listed in the notice, to terminate its receivership for the listed institutions. The liquidation of the assets for each receivership has been completed. To the extent permitted by available funds and in accordance with law, the Receiver will be making a final dividend payment to proven creditors. Based upon the foregoing, the Receiver has determined that the continued existence of the receiverships will serve no useful purpose. Consequently, notice is given that the receiverships shall be terminated, to be effective no sooner than thirty days after the date of the notice. If any person wishes to comment concerning the termination of any of the receiverships, such comment must be made in writing, identify the receivership to which the comment pertains, and be sent within thirty days of the date of the notice to: Federal Deposit Insurance Corporation, Division of Resolutions and Receiverships, Attention: Receivership Oversight Department 34.6, 1601 Bryan Street, Dallas, TX 75201. No comments concerning the termination of the receiverships will be considered which are not sent within the time frame. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-10/pdf/2020-27066.pdf>. *Federal Register*, Vol. 85, No. 238, 12/10/2020, 79489-79490.

## **FDIC Issues Proposed Rule to Address Temporary Deposit Insurance Assessment Effects of the Optional**

## **Regulatory Capital Transitions for Implementing CECL.**

FDIC seeks comment on a proposed rule that would amend the risk-based deposit insurance assessment system applicable to all large insured depository institutions (IDIs), including highly complex IDIs, to address the temporary deposit insurance assessment effects resulting from certain optional regulatory capital transition provisions relating to the implementation of the current expected credit losses (CECL) methodology. The proposal would amend the assessment regulations to remove the double counting of a specified portion of the CECL transitional amount or the modified CECL transition amount, as applicable (collectively, the CECL transitional amounts), in certain financial measures that are calculated using the sum of Tier 1 capital and reserves and that are used to determine assessment rates for large and highly complex IDIs. The proposed rule also would adjust the calculation of the loss severity measure to remove the double counting of a specified portion of the CECL transitional amounts for a large or highly complex IDI. The proposed rule does not affect regulatory capital, or the regulatory capital relief provided in the form of transition provisions that allow banking organizations to phase in the effects of CECL on their regulatory capital ratios. Comments are due **01/06/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-07/pdf/2020-25830.pdf>. *Federal Register*, Vol. 85, No. 235, 12/07/2020, 78794-78805.

## **FDIC Corrects Regulatory Capital and Liquidity Requirement Rule.**

FDIC issued a correction to a previously published regulatory capital and liquidity requirement rule. FDIC, together with the Board of Governors of the Federal Reserve System and Office of the Comptroller of the Currency published an interagency final rule in the *Federal Register* on **11/01/2019**, that revised the criteria for determining the applicability of regulatory capital and liquidity requirements for large U.S. banking organizations and the U.S. intermediate holding companies of certain foreign banking organizations. In promulgating the tailoring rule, the agencies, however, inadvertently omitted amending the prompt corrective action (PCA) provisions of the capital rule to reflect the tailoring rule, including the well capitalized PCA category. The correction aligns the applicability of the enhanced supplementary leverage ratio for purposes of the PCA provisions in FDIC's

capital rule to its intended scope. The correction is effective **11/20/2020**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-20/pdf/2020-24900.pdf>. *Federal Register*, Vol. 85, No. 225, 11/20/2020, 74257-74259.

## **FDIC Seeks Comment on Household Use of Banking Services Survey.**

FDIC seeks comment on the survey collection instrument for its seventh biennial survey of households, which has been renamed the Survey of Household Use of Banking and Financial Services. The survey was previously named the FDIC National Survey of Unbanked and Underbanked Households. The survey collects information on U.S. households' use of bank accounts, other transaction accounts including prepaid cards and online payment services, nonbank financial transaction services, and bank and nonbank credit. The results of the biennial surveys will be published in FDIC's How America Banks reports which help inform policymakers, bankers, and researchers about how households use, or don't use, the banking system. Comment are due **02/01/2021**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-02/pdf/2020-26572.pdf>. *Federal Register*, Vol. 85, No. 232, 12/02/2020, 77462-77463.

## **OCC Issues Fair Access to Financial Services Proposal.**

The Office of the Comptroller of the Currency (OCC) issued a proposed rule to ensure that national banks and federal savings associations offer and provide fair access to financial services. The proposed rule would create a new part 55 to address fair access to financial services, drawing both on principles of long-established antitrust law and on OCC guidance and other statements. Comments are due **01/04/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-25/pdf/2020-26067.pdf>. *Federal Register*, Vol. 85, No. 228, 11/25/2020, 75261-75266.

## **OCC Issues Proposed Rule to Determine Approach to CRA Evaluations.**

OCC seeks comment on its proposed approach to determine the Community Reinvestment Act (CRA) evaluation measure benchmarks, retail lending distribution test thresholds, and community development minimums under the general performance standards. The proposed rule further explains how OCC would assess significant declines

in CRA activities levels in connection with performance context following the initial establishment of the benchmarks, thresholds, and minimums. Finally, the proposed rule would make clarifying and technical amendments to the CRA final rule. Comments are due **02/02/2021**. The proposed rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-12-04/pdf/2020-26394.pdf>. *Federal Register*, Vol. 85, No. 234, 12/04/2020, 78258-78269.

## **HUD Issues Final Rule to Extend Certification Timeline for Housing Counseling Program Due to COVID-19.**

The Department of Housing and Urban Development (HUD) issued a final rule to extend the deadline by which participating agencies and counselors must comply with certification requirements in HUD's Housing Counseling Program from **08/01/2020** to **08/01/2021**. Due to the COVID-19 national emergency, a large number of housing counselors are likely unable to become certified by the end of the grace period, resulting in a loss of federal funding for some HUD-approved housing counseling agencies and loss of the ability to provide counseling that is required or provided in numerous HUD programs. The final rule is effective **12/04/2020**. The final rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-12-04/pdf/2020-26194.pdf>. *Federal Register*, Vol. 85, No. 234, 12/04/2020, 78230-78232.

## **HUD Publishes Regulatory Waiver Requests Granted in Second Quarter Calendar Year 2020.**

HUD is required by the Housing and Urban Development Reform Act to publish quarterly *Federal Register* notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous *Federal Register* notice. The notice contains a list of regulatory waivers granted by HUD during the period beginning on **04/01/2020**, and ending on **06/30/2020**. The notice may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-11-19/pdf/2020-25476.pdf>. *Federal Register*, Vol. 85, No. 224, 11/19/2020, 73732-73743.

## **HUD Issues Proposal to Accept Private Flood Insurance for FHA-Insured Mortgages.**

HUD issued a proposed rule to amend Federal Housing Administration (FHA) regulations to allow mortgagors the option to purchase private flood insurance on FHA-insured mortgages for properties located in Special Flood Hazard Areas (SFHAs), in satisfaction of the mandatory purchase requirement of the Flood Disaster Protection Act (the FDPA). The FDPA, as amended, requires the owner of a property mapped in a SFHA, and located in a community participating in the National Flood Insurance Program, to purchase flood insurance as a condition of receiving a mortgage backed by the Federal National Mortgage Association (Fannie Mae) and Federal Home Loan Mortgage Corporation (Freddie Mac), Department of Veteran Affairs (VA), United States Department of Agriculture (USDA), or FHA. Comments are due **01/22/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-23/pdf/2020-25105.pdf>. *Federal Register*, Vol. 85, No. 226, 11/23/2020, 74630-74636.

### **FEMA Announces Activation Plan of Action for Manufacture, Allocation, and Distribution of PPE Due to COVID-19.**

The Federal Emergency Management Agency (FEMA) announced the activation of a Plan of Action to establish a National Strategy for the manufacture, allocation, and distribution of personal protective equipment (PPE) to respond to COVID-19 implemented under the Voluntary Agreement for the manufacture and distribution of critical healthcare resources necessary to respond to a pandemic. The notice contains the text of the Plan of Action. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-08/pdf/2020-26986.pdf>. *Federal Register*, Vol. 85, No. 236, 12/08/2020, 79020-79028.

### **FEMA Issues Final Flood Hazard Determinations.**

Other amendments to the regulations include an update to the minimum capital maintenance requirements, clarification to the factors that SBA will consider in its evaluation of an SBA Supervised Lender application, and a limit to the 7(a) lending area for NFRLs. ## **FCA Announces Effective Date of Final Rule Regarding Criteria to Reinstate Non-Accrual Loans.**

The Farm Credit Administration (FCA) announced the effective date of a previously published final rule that amended regulations governing how high-risk loans within the Farm Credit System are classified as being in nonaccrual status. The effective date of the rule is no earlier than 30 days from the date of publication in the *Federal Register* during which either or both Houses of Congress are in session. The effective date of the final rule published in the *Federal Register* on **08/25/2020**, is **10/21/2020**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-18/pdf/2020-24005.pdf>. *Federal Register*, Vol. 85, No. 223, 11/18/2020, 73401.

## **FSA Issues Correction to Payment Limitations and Eligibility Definitions Rule.**

The Farm Service Agency (FSA) on behalf of the Commodity Credit Corporation (CCC) issued a correction to a previously published final rule which amended regulations concerning payment limitation and eligibility. The final rule, published in the *Federal Register* on **08/24/2020**, amended the definitions in 7 CFR 1400.3 for “active personal management” and “significant contribution,” which apply throughout part 1400. It also removed and reserved §1400.601. The changes were intended to provide consistency in the definitions of the terms used throughout part 1400. After publication of the final rule, stakeholders notified FSA of concerns regarding potential non-intended, adverse effects to farming operations comprised solely of family members. In streamlining the definitions for consistency, the revised definitions were inadvertently made applicable to farming operations solely owned by family members. This was not the intent of the rule change, and as revised, the definitions were more restrictive than they needed to be in order to provide intended consistency in the rule. The more restrictive definitions were not intended to apply to farm operations comprised or owned solely of family members. The correction restores the previous definitions of “active personal management,” “significant contribution,” “significant contribution of active personal management,” and “significant contribution of the combination of active personal labor and active personal management.” The correction is effective **11/19/2020**. ## **RHS Revises Rural Rental Housing Program Guarantee Fees.**

The Rural Housing Service (RHS) issued final rule to revise the fees charged in connection with a guarantee. RHS administers the Section 538 Guaranteed Rural Rental Housing Program (GRRHP). Under GRRHP, RHS guarantees loans for the development of housing and related facilities in rural areas. RHS is authorized to charge certain fees to lenders for loan guarantees. The charged fees are required to be used to offset costs associated with loan guarantees. RHS published a proposed rule on **09/03/2019**, to amend its regulation to remove the stated amount that RHS will charge for the initial and annual guarantee fees. The change will allow RHS the flexibility to establish or make any future changes to the initial and annual guarantee fees without the need for a regulatory change. RHS finalized the proposed rule without any substantive revisions. The final rule is effective **01/04/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-03/pdf/2020-25822.pdf>. *Federal Register*, Vol. 85, No. 233, 12/03/2020, 77985-77987.

## **Closing Systems for Single-Family Housing Guaranteed Loan Program.**

RHS proposes to amend the current regulation for the Single-Family Housing Guaranteed Loan Program (SFHGLP) to mandate the use of the Guaranteed Underwriting System (GUS) and the Lender Loan Closing System (LLC) by approved lenders. RHS' proposal to mandate the use of GUS in loan originations and the LLC for loan closings will allow RHS to decrease time-consuming and expensive manual file reviews, improve performance monitoring, and reduce program risk of the guaranteed loan portfolio. Comments are due **01/19/2021**. The Securities and Exchange Commission (SEC) and Commodity Futures Trading Commission (CFTC) (collectively, the agencies) issued a final rule to adopt amendments to lower the margin requirement for an unhedged security futures position from 20% to 15% and adopted certain conforming revisions to the security futures margin offset table. The final rule is effective **12/24/2020**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-24/pdf/2020-24353.pdf>. *Federal Register*, Vol. 85, No. 227, 11/24/2020, 75112-75147.

Finally, SEC has adopted related amendments to rule 12d1-1 under the Act and to Form N-CEN. The final rule is effective **01/19/2021**. See the final rule for applicable compliance dates. The amendments, among other things, address certain issues related to reporting post-priced swaps (PPS) and disseminating swaps associated with prime brokerage arrangements. ## **NCUA Issues Final Rule Regarding Corporate Credit Unions.**

The National Credit Union Administration (NCUA) issued a final rule to amend its corporate credit union regulation. The final rule updates, clarifies, and simplifies several provisions of NCUA's corporate credit union regulation, including to: permit a corporate credit union to make a minimal investment in a credit union service organization (CUSO) without the CUSO being classified as a corporate CUSO under NCUA's rules; expand the categories of senior staff positions at member credit unions eligible to serve on a corporate credit union's board; and amend the minimum experience and independence requirement for a corporate credit union's enterprise risk management expert. The final rule is effective **12/14/2020**. ## **NCUA Issues Proposed Rule to Remove Prohibition on Capitalization of Interest in Connection with Loan Workouts and Modifications.**

NCUA issued a proposed rule to amend its regulations to remove the prohibition on the capitalization of interest in connection with loan workouts and modifications. NCUA has determined that the current prohibition on authorizing additional advances to finance unpaid interest may be overly burdensome and, in some cases, hamper a federally insured credit union's (FICU's) good-faith efforts to engage in loan workouts with borrowers facing difficulty because of the economic disruption that the COVID-19 pandemic has caused. Advancing interest may avert the need for alternative actions that would be more harmful to borrowers. The proposed rule would establish documentation requirements to help ensure that the addition of unpaid interest to the principal balance of a mortgage loan does not hinder the borrower's ability to become current on the loan. The proposed change would apply to workouts of all types of member loans, including commercial and business loans. NCUA has also taken the opportunity to make several technical changes to the Appendix to improve its clarity and update certain references. Comments are due **02/02/2021**. The proposed rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-12-04/pdf/2020-25988.pdf>. *Federal Register*, Vol. 85, No. 234, 12/04/2020, 78269-78277.

## **NCUA Seeks Comment on Draft Budget.**

NCUA seeks comment on its draft budget. Section 212 of the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA) requires NCUA to make publicly available and publish in the *Federal Register* a draft of the detailed business-type budget. The draft budget details the resources required to support NCUA's mission as outlined in its 2018-2022 Strategic Plan. The draft budget includes personnel and dollar estimates for three major budget components, the: (1) Operating Budget; (2) Capital Budget; and (3) Share Insurance Fund Administrative Budget. The resources proposed will be used to carry out NCUA's annual operations. The proposed resources will finance NCUA's annual operations and capital projects, both of which are necessary for NCUA to accomplish its mission. Comments are due **12/11/2020**. The notice may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-19/pdf/2020-25546.pdf>. *Federal Register*, Vol. 85, No. 224, 11/19/2020, 74090-740159.

## **DOL Amends ERISA Investment Duties Regulations.**

The Department of Labor (DOL) adopted amendments to the "investment duties" regulation under Title I of the Employee Retirement Income Security Act, as amended (ERISA). The amendments require plan fiduciaries to select investments and investment courses of action based solely on financial considerations relevant to the risk-adjusted economic value of a particular investment or investment course of action. The final rule is effective **01/12/2021**. The final rule may be viewed at: <https://www.govinfo.gov/content/pkg/FR-2020-11-13/pdf/2020-24515.pdf>. *Federal Register*, Vol. 85, No. 220, 11/13/2020, 72846-72885.

The Equal Employment Opportunity Commission (EEOC) announced the availability of updated guidance titled, *Proposed Updated Compliance Manual on Religious Discrimination*. The proposed updated guidance explains a variety of issues applicable to religious discrimination claims, discusses typical scenarios in which religious discrimination and requests for religious accommodation may arise, and provides guidance to employers on how to balance the needs of individuals

in a diverse religious climate. The proposed guidance, when finalized, will supersede EEOC's existing manual issued in 2008. Comments are due **12/17/2020**. The announcement of availability may be viewed at:

### **VA Issues Proposed Rule to Establish COVID-19 Related Payment Assistance Program.**

VA issued a proposed rule to establish the COVID-19 Veterans Assistance Partial Claim Payment program (COVID-VAPCP), a temporary program to help veterans return to making normal loan payments on a VA-guaranteed loan (guaranteed loan) after exiting a Coronavirus Aid, Relief, and Economic Security Act (CARES Act) forbearance period. Under the proposed program, a servicer could consider a partial claim option after the servicer has evaluated all loss-mitigation options for feasibility. If the veteran qualifies and opts to move forward, VA

would act as a mortgage investor of last resort by purchasing the amount of indebtedness necessary to bring the veteran's guaranteed loan current. The veteran would have up to 60 months to defer repayment to VA and up to 120 months to repay the loan in full, with the interest rate fixed at 1 percent per annum. Comments are due **01/08/2021**. The proposed rule may be viewed at:

<https://www.govinfo.gov/content/pkg/FR-2020-12-09/pdf/2020-26964.pdf>. *Federal Register*, Vol. 85, No. 237, 12/09/2020, 79142-79161.

### **VA Issues NOFA for Supportive Services for Veteran Families Program.**

VA issued a notice of funds availability (NOFA) for supportive services grants under the Supportive Services for Veteran Families (SSVF) Program. The NOFA contains information concerning the SSVF Program, renewal of supportive services grant application processes, and the amount of funding available. Awards made for supportive services grants will fund operations beginning **10/01/2021**.
